DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(c), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(c) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 4/7/2009 has been entered.

Reasons for Allowance

2. Claims 1-15, 26-43 and 54-56 are cancelled.
3. Claims 16-25, 44-53 and 57-74 are allowed.
4. This is examiner's statement of reasons for allowance.

Regarding claims 16-25, 44-53 and 57-74 the prior art, either singularly or in combination, does not teach or suggest an imaging system for imaging a bound document having a plurality of pages, comprising:

an optical character recognition (OCR) engine for receiving at least a portion of image data, the OCR engine configured to perform OCR processing only on data corresponding to at least a portion of a border region of each imaged page; and

a controller in communication with the OCR engine and configured to receive data from the OCR engine to determine page numbers on the pages being imaged based at least in part on the data received from the OCR engine, the controller being further configured to detect an error based on comparing the page numbers of consecutive pages, wherein the controller processes

OCR data based on scanning entire pages of an initial number of pages to determine the portion of the border region, and processes OCR data based on scanning only the portion of the border region on a subsequent number of pages.

The features identified, in combination with other claim limitations, are neither suggested nor discussed by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
